Summer Session and Registration Information:

- Before you hit submit, take a moment to double-check the dates for each class. We’re unable to accommodate requests to switch or drop classes. Dancers will need to complete a new registration to add any additional classes.
- Tuition is non-refundable. There are no refunds or credits for missed classes.
- If you have already registered but wish to add classes anytime during the summer session, you may do so through your parent portal. Any classes added after initial registration will be considered a “new registration” and will be charged accordingly. Combining registrations will not be allowed, unless the dancer reached a “max pass” on their first registration.
- Each scheduled class will be closed once it has reached capacity. All classes are subject to cancellation if registration is low.
